LIVE and LET LIVE FOLKS

BECKHAM TO SPEAK.

Ex-Governor J. C. W. Beckham will address the democratic voters of Garrard county at the court house in Lancaster on Monday July 27th at 1:30 o'clock P.

Monday is county court day. We need the \$\$\$, come in and bring them to us.

A feeling of satisfaction seems to pervade the entire community since the recent copious rains.

Lancaster looked deserted Sunday. Everybody that could possibly get away went to Crab Orchard Springs.

An unprecedented crop of blackberries was marketed here last week. The prevailing price was 15 cents per gallon.

Bob Burton says they are already beginning to move the fences in the Buckeye country, in order to make room for the tremendous corn crop.

Ex-Gov. J. C. W. Beckham will speak at Lancaster at 1:30 p. m. July 27th, Court day, in the interest of his candidacy for the Senate.

Come in Monday and add your name to the subscription list of the Record. We are getting out a good paper, but of course you do not know this if you do not read it.

Ex-Gov. J. C. W. Beckham will speak at Lancaster at 1:30 P. M. July 27th, Court day, in the interest of his candidacy for the Senate.

A GOOD FARM.

Mr. R. H. Bronaugh, of Crab Orchard, is offering in this issue of the Record, his fine farm situated near Crab Orchard. This is the most productive farm in that section and if we mistake not, the best crop of tobacco sold over the Danville breaks in 1912 was produced on this farm. Any one desiring such a place would do well to communicate with Mr Bronaugh.

A Delightful Social Function.

Mrs. Carrie Davidson entertained last evening at the home of her son, Mr. Guy Davidson, in honor of Miss Elizabeth Morgan, of St. Louis, Miss Edna Gully, of Texas and Miss Lotty Carson, of Stanford. Miss Allie Yantis assisted her in entertaining while Miss Katie Barnes Dickerson and Carrie Bell Romans served frappe. The string band and delightful refreshments were enjoyed by about sixty of the young people who called during the evening.

BETTER GET A LICENSE.

Every person who drives an automobile not his own must be provided with a "Chauffer's license", and the penalty for failure to so provide yourself brings a severe penalty. A state inspector is liable to hold you up at any time and demand to see your credentials. Better write to the Commissioner of Motor Vehicles at Frankfort Ky and get an application blank for a temporary license, which is sufficient until the examination is held at your nearest point, at which time you will be required to undergo the test required by the board.

BEST TENT SHOW ON THE ROAD

TO PLAY WEEKS ENGAGEMENT IN LANCASTER.

The W. L. Swain Show Company will come to Lancaster next week for a weeks engagement and will appear under their own large water proof canvas during the entire week. This show comes highly recommended and does not as a usual thing play towns the size of Lancaster. The press of Western Kentucky speaks in very complimentary terms of the Swain shows. They have in their repertoire several attractions which they play under a big royalty, and include "Ismael," "The House Of A Thousand Candles" and several other splendid plays. They carry a splendid Silver Band of ten pieces and several open air concerts will be given during the engagement, and also a concert before the doors open on the grounds each evening.

This company far outranks the usual run of "tent shows" which have been "hitting" Lancaster of late, and will give our people an opportunity of seeing some splendid attractions at a nominal cost. Forty people are carried in the caste and they travel in their own private Pullman cars.

"EPH." BROWN APPOINTED POSTMASTER THE APPOINTMENT A POPULAR ONE.

A telegram from Congressman Harvey Helm on Wednesday afternoon announced the fact that Mr. Ephraim P. Brown had been appointed Postmaster at Lancaster succeeding Mr. W. T. West, whose term of office expired in March last.

It is hardly probable that Mr. Brown will be checked into office until about August, as his appointment will have to go to the Senate for confirmation, after which he will have to make bond, and these necessary preliminaries will of a necessity take considerable time.

The appointment of Mr. Brown is a happy ending of a long hard fight for the Lancaster office. The various aspirants for the position all had a more or less strong following, Mr. Brown having among the strongest, and while there are many who espoused the candidacy of other aspirants, yet there can be found no one who was really opposed to Mr. Brown having the appointment, and expressions of satisfaction are heard upon every side at his success.

Ephraim Price Brown was born and raised in Garrard county, is 41 years old and has lived here all his life. He is a son of Mrs. Dolly Brown, and is personally known to nearly every person in the county. He is an unwavering democrat, and has often rendered efficient service to his party. He served as deputy postmaster under the Cleveland administration, made a very popular and efficient officer, and the duties are perfectly familiar to him. Mr. Brown for the past 14 years has been in the employ of Mr. J. E. Stormes, and his uniform kindness and courteous treatment to everyone has made him a host of friends throughout the county to whom his appointment will be a source of great gratification.

The Record congratulates Mr. Brown on his success in securing the appointment, and the people who patronize the office on the fact that they are to have such a courteous and efficient official.

WOMAN'S CHRISTIAN TEMPERANCE UNION.

All persons who desire the privilege of contributing to the box to be sent to the Hindman Settlement School, will please send their contributions to Mrs. Prather's residence Saturday afternoon. Mrs. Dollie Brown will receive the packages.

MORE BEANS, LESS POLITICS PLEASE.

The political pot boils with much more vehemence in this locality now-a-days than the bean pot. The former commodity is much more plentiful than latter, but there are a great many people who would gladly have more beans and less politics, the former are much more sustaining.

WHERE ARE THE GAME WARDENS?

We of course realize that a Game Warden has no control over the elements but there are persistent reports of dynamiting in Dix river, and between the ravages of hail storms (?) and the dynamiters the fish are liable to be a thing of the past. Does look as if the latter could be brought to the bars of justice.

DILLARD LITRELL ADJUDGED INSANE.

Dillard Littrell was adjudged insane by a jury in Judge Arnold's court last week and committed to the Eastern Hospital at Lexington. An officer came from that institution for him on last Saturday. Littrell is about 45 years of age and is a son of Mr. James Littrell. He has been suffering with periodical hallucinations for several years, and his condition became such as to make it necessary that he be confined.

MRS. R. K. CONN SERIOUSLY ILL.

Mrs. R. K. Conn the aged mother of Messrs James, John, Will and Frank Conn of this place, has been seriously ill at the family home on White-Lick Creek in this county, but her condition is much improved and her physicians now think that her recovery is but the question of time. Mrs. Conn stuck a splinter in one of her fingers, from which blood poisoning developed, and at one time her condition was regarded as serious.

MR. PARKER JENKINS Loses Residence And Contents.

Between 11 and 12 o'clock Wednesday morning Mr. Parker Jenkins, one of the engineers at the water works plant lost his residence and contents by fire. Mr. Jenkins' home was adjoining the water works property, and at the time of the fire he was at the station pumping, while his wife had gone to the home of her mother in the country. Mr. Eb Ross and Jessie Thomas were in an adjoining tobacco field, but when they discovered the fire the house was a mass of flames and they were unable to rescue anything from the fire. The origin of the fire is unknown. Only \$400 insurance was carried. Much sympathy is expressed for Mr. Jenkins in his severe loss.

RECORD PRICE FOR EXPORT CATTLE.

W. S. (Pony) Beasley, of Lexington and formerly of this county was in town last Tuesday buying cattle for feeding. He tells us that he has just sold his export cattle to Monte Fox, agent for Armour & Co. for the record price of \$8.75 per hundred. There were a hundred and eighty cattle in the lot and averaged 1510 pounds per head. He received \$132.12 per head or \$23,782.50 for the lot. Pony has been handling fine cattle "since the memory of man runneth not to the contrary" and this is the highest price he has ever received. Pony says that he agrees with Pres. Wilson and Henry Ford that the business depression is merely psychological.

CLYDE RUBLE DROWNED While Bathing In Kentucky River.

Clyde Ruble, aged 26 years, was drowned while bathing in Kentucky river near his home in Jessamine county on last Friday afternoon. The young man was accompanied by his twin brother Clarence and several other young men, who saw him sink, but were unable to reach him in time to save his life. His remains were interred in the family burying grounds at Mount Olivet in this county on last Sunday afternoon.

The deceased was unmarried and was a son of the late Charles Ruble, and a member of the well known and popular Ruble family of the Buena Vista section, and was himself a popular young man. Until recently young Ruble was a resident of this county, but about two years ago he with the remaining members of the family removed to the Handy farm near Wilmore in Jessamine county.

MRS. BRADLEY IS GIVEN \$7,500 Husband's Salary For One Year.

In the General Deficiency Bill, which has been reported to the Senate, is \$7,500. to be paid to Mrs. Margaret Duncan Bradley, widow of the late Senator W. O. Bradley. This is one years salary of the late Senator and is given as is the usual custom. The measure also provides for 60 days pay for the clerks of the late Senator Bradley.

SENATOR CAMDEN TO GIVE BIG BARBECUE At Versailles On July 29th.

The State Farmers' Union will meet in convention at Versailles on July 28th and 29th, and upon the second day of the meeting, July 29th, U. S. Senator Johnson N. Camden, will give a mammoth barbecue at his home place Spring Hill, for the entertainment of the assembled farmers. Senator Camden has expressed his intention of being present upon this occasion to make his guests welcome, provided his duties at Washington will permit his attendance. Senator Camden gave a barbecue last year at which the attendance was variously estimate at from 15,000 to 20,000, and the occasion was one long to be remembered.

FAMOUS OLDSPRINGS AS POPULAR AS EVER.

The many Lancaster visitors at Crab Orchard are loud in their praise for this famous old hostelry and the entertainment and amusement afforded them by Ma an Pa. A criterion of the Springs popularity is the fact that there were three hundred guests registered there last Sunday. The music is better than ever, which in itself insures good dancing, the swimming pool furnishes the amusement for the afternoon, and with the fine table fare and the finest mineral waters in the South, Crab Orchard Springs well deserves the patronage which it is receiving.

Ex-Gov. J. C. W. Beckham will speak at Lancaster at 1:30 P. M. July 27th, Court day, in the interest of his candidacy for the Senate.

In a recent letter to Studebaker, L. J. Balch of Coshocton, Ohio states that he owns a Studebaker Farm Wagon which has been in constant use for 42 years and is still giving good service.

This clearly shows that a Studebaker Farm Wagon is a good investment for any farmer.

We constantly carry a full line of Studebaker Farm Wagons, just as dependable, just as strongly built as the 42 year old wagon owned by Mr. Balch.
